## Overview

Introducing the Crescent tradesman closed tool bag. The newly designed sleeves hold the tools in place without losing small bits in the bottom of the pockets. The interior divide splits the bag into two sections to provide increased organization for identifying the right tools for the job. This bag features a hard polypropylene base that provides the durability you need to keep your tools safe and dry. Every zipper on this bag comes with a 3-year guarantee. These bags are built to take the abuse of everyday jobsite use.

## Features

### 14" Tradesman Closed Top Tool Bag

- Professional grade closed top bag is ideal for everyday use in rugged conditions
- 3 exterior pockets and a 29-pocket interior tool wall provide additional organization, with pocket sleeves to easily access small pieces
- Hard polypropylene base resists moisture and withstands impacts, delivering lasting durability
- Bright orange interior helps you find your tools faster in darker environments
- Made with 1680D polyester and metal hardware to withstand the toughest jobsite
- 13 PALS on the outside of the bag provide tool storage slots for quick, easy access to your frequently used tools
- Pocket sleeves hold the tools in place without losing small bits in the pockets
- Adjustable, padded shoulder strap and padded nonslip bar handle make carrying the bag more comfortable
- Includes a water bottle holder and a tape measure clip for added convenience
- Top-quality YKK zipper comes with a 3-year warranty and an oversized pull for added convenience
